Lord, Let your kingdom come on Earth
Lord, Let your kingdom come on Earth
Lord, Let your kingdom come on Earth
Lord, Let your kingdom come on Earth

This is my prayer
This is my plea
Let your will be done in me
Let your will be done in me

Most High God
In all the Earth, we sing your praise
Most High God
We sing welcome in this place
(Repeat)

Our Father, In Heaven
Hallowed be thy name
Thy kingdom come, thy will be done
Ev'n as it is in Heaven
Give us this day, our daily bread
Forgive our sins as we forget
And lead us not into temptation
Deliver us from evil
For thine is the kingdom, the power, the
glory

Most High God
We sing welcome in this place
